**SKIN-ON FRIES**

# TASTES LIKE YOU WORKED ALL DAY

## Why use McCain Skin-On Fries

Real, hand-crafted foods are in and consumers are looking for menu descriptors like fresh, authentic and made-from-scratch more than ever<sup>1</sup>. Cut from whole potatoes, McCain Skin-On Fries deliver the fresh potato taste and hand-cut quality your customers love without the waste and inconsistency of prepping them from scratch.

### Hand-cut Quality

Customers enjoy the great potato taste and authentic look they expect from fries made back of house.

### Hands-off Prep

Pre-cut perfection means less time, labour and waste so you're free to do other things.

### Handy Variety

Choose from a range of Skin-On Fries to suit your menu.

# Just Like Fresh

With hand-cut quality and true fresh potato flavor, McCain Skin-On Fries are just like scratch-made fries without all the hassle.

1 in 2 people will agree that they will **pay more** for a special type of chip<sup>2</sup>.

Noticeably cut from **quality potatoes**, they feature a skin-on appearance and imperfect edges.

Just like freshly cut potatoes, Skin-On Fries are always **best served right out of the fryer.**

Produced during the months of March to October in order to ensure **optimum skin quality.**

Prepared just like fresh potatoes you cut back of house.
